MEMORANDUM FOR: Members of the NSCIC Working Group

SUBJECT: Agenda for May Meeting

1. This memorandum represents a composite of our proposals for a Working Group program and the suggestions received from other members to date. I am scheduling our next meeting for 15 May at 1400 in the White House Situation Room. I expect that the discussion will last about two hours at most.

2. Perspectives for Intelligence 1975-1980. Members of the Working Group have the basic document and proposed changes. We have received some comments to date, but would welcome further comments, written and oral, at this meeting. We propose to make these comments available to the NIOs.

3. Informational Papers. Prior to the meeting, members of the Group will have an opportunity to review two short papers prepared in the IC Staff:

--The DCI's National Intelligence Guidance Documents

--Consumer Contact Points with Production Elements of the Intelligence Community

Members of the Working Group will have an opportunity to raise questions on these topics, if they desire to do so.

4. Key Intelligence Questions. Members have copies of the FY 1975 KIQs, and further comments on them at this meeting would be appropriate. Draft copies of FY 1976 KIQs, if available, will be circulated at this meeting. Members would be given a month to prepare comments on the FY 1976 KIQs.
